

Nepali New Year 2066

Northeast Ohio Nepali Community
April 25, 2009

On behalf of the NAOO organizing committee, I would like to thank you for celebrating the Nepali New Year party with us in Cleveland. The total of 115 people (excluding children) attended the party. Among all the events NAOO has organized, New Year 2066 party had the biggest turn-out.

I would also like to thank the volunteers. Without your help this event would not have been successful. Organizing events of such magnitude takes lots of time and coordination. Your hard work has made it possible.

I also would like to officially welcome Bhutani friends to be part of NAOO. Thank you for making the evening entertaining with the music and dance. There is a big Bhutani community in Cleveland/Akron area and we are looking forward to jointly organizing events in the future.
