

Nepali New Year 2067  
April 17, 2010  
Cleveland, Ohio

Namaskar,

Thank you everyone for being a part of the New Years event on Saturday April 17. Even with a very short notice, we had a great turnout, and the show was a treat for all of us. Performers were really impressed with the turnout and they wanted me to convey their gratitude. Although every one of us played a key role in making this event a success, I would like to mention some names for their important roles and contributions.

First of all, we are grateful to Dr. Janardan Subedi for his role in making this show happen in the first place. Just as importantly without Nikesh Prajapati and Krishna Shrestha's dedicated effort this show would not have materialized. We are also grateful to Dr. Subedi, Dr. Mark Tausig, Dr. Damodar Paudel, Dr. Madan Joshi, Dr.

Rabin Shrestha, Mukesh Singh, Rana Lama, and Krishna Shrestha for their generosity as well.

Thanks to Prem Thapa for his own performance as well as his technical support.

Also, we are thankful to Rajendra and Bimala, Suraj, Sudha, and Sarita, and Basanta for providing accommodations for our guests and artists.

Just as importantly, thanks to Sushildai, Surya, and other *bhaiharu* for their help. Please forgive me if I left out anyone here.

Special thanks to our performers from Nepal Mr. Ram Krishna Dhakal, Ms. Gauri Malla, Ms. Laxmi Shrestha, Ms. Bimala, Mr. Shiva Hari Poudel and Mr. Krishna Murari Dhungel.

On behalf of Nepali community,  
Amod Pyakuryal
